PEARL RIDGE DENTAL

FINANCIAL POLICY

Thank you for choosing our office as your dental care provider. Our Doctor and team are committed to providing you with the best possible care. Please understand that payment is considered part of your treatment. The following is our Financial Policy, which we require you to read and sign prior to any treatment. Before seeing the Doctor, you are required to complete the Patient Registration, Medical History, Complete Insurance information and HIPAA Form.

Regarding Payment

We accept the following forms of payment:

Cash, Check, Visa, MasterCard and DISCOVER. Payment for services is due at the time services are rendered unless prior arrangements have been made with our office.

The parent that accompanies the minor child/children to the appointment is responsible for any payment due. For unaccompanied minors, non-emergency treatment will not be rendered **unless** treatment and applicable charges have been pre-authorized by the Parent/Legal Guardian before the appointment date or arrangements have been made with the Doctor and/or the Office Manager.

Regarding Insurance

Your insurance policy is a contract between you and your insurance company. We are not a party to that contract. In the event we do accept assignment of benefits and your insurance company has not paid your account in full within 60 days, the balance will be transferred to your account. Please be aware that some, and perhaps all, of the services provided may be non-covered services under the terms of your insurance policy. Our practice is committed to providing the best treatment for our patients and we charge what is usual and customary for our area. You are responsible for payment regardless of any insurance company arbitrary determination of usual and customary rates.

Your complete insurance information must be presented at the time services are provided. Insurance claims cannot be backdated. Most benefits will be verified before your insurance company can be billed.

All insurance co-pays and deductibles must be paid at the time of service.

Please bring your insurance card with you to your appointments.

Balances older than 60 days may be subject to additional collection/ late fees and interest charges may apply.

Returned checks will have an additional fee of \$25.00 added to the amount of the returned check.

Cancellation Policy

We value your time and make every possible effort to provide treatment in a timely manner and in as few visits as possible.

In order to provide the best quality service to all our patients, we require at least 24-48 hours notice for cancellations or for rescheduling your appointments. Dr. Kamal has this time set-aside just for you in her schedule, which is valuable to your timely care.

As a courtesy to other patients, we appreciate your timely notice. Please know that other patients are waiting to get in for their treatment needs and timely notice from you helps us get those who are waiting for their treatment to schedule for their dental needs.

With that said, we understand that unforeseen circumstances can come up which may necessitate cancelling or missing your appointment.

Timely Payment of Balances: Please Pay Promptly!

We understand that temporary financial problems may affect timely payment of your balance. We encourage you to communicate any such problems to us so that we can assist you in the management of your account.

We would be happy to discuss our charges and how they relate to your particular situation. We also realize that temporary financial situations may affect timely payment of your account. If such problems do arise, we encourage you to contact us promptly for assistance in the management of your account.

Thank you for understanding our Financial Policy. Please let us know if you have any questions or concerns.

I have read, understand and agree to this Financial Policy.
